

BETTERLIVING SUNROOM AND AWNING INSTALLER APPRENTICE

Job Summary:

We are seeking a skilled Sunroom and Awning Installer Apprentice to join our team and help install our high-quality sunrooms and awnings for residential and commercial clients. The ideal candidate will have a basic understanding and proficiency of general residential construction (ie: operation of power tools, measuring, cutting, etc.). Prior experience in building sunrooms and/or installing awnings, deck construction, carpentry, roofing/siding, framing, etc. is not necessary, but is welcomed.

Responsibilities:

- Assist the lead installer in preparing job sites by measuring and marking out areas, setting up tools, equipment, and materials.
- Help with the installation of BetterLiving sunrooms and awnings at residential and commercial properties, following design specifications and safety protocols.
- Learn from the lead installer and develop skills in sunroom construction, carpentry, and installation.
- Communicate with customers to answer any questions and provide updates on the installation process.
- Troubleshoot and resolve any issues that arise during the installation process.
- Follow all safety guidelines and procedures to ensure a safe working environment.
- Maintain tools and equipment in good working condition.
- Complete other duties as assigned by the supervisor or management.

Requirements:

- High school diploma or equivalent qualification.
- Basic understanding and proficiency with power tools and hand tools
- Ability to read tape measure and accurately cut material
- Must have own hand tools
- Some experience in construction, carpentry, or a related field is preferred, not required.
- Ability to read and interpret blueprints, diagrams, and design specifications.
- Good communication skills and ability to interact professionally with customers.
- Physically fit and able to lift heavy materials and equipment.
- Reliable and punctual with good time management skills.
- Willingness to work outside and travel to job sites as required.
- Valid driver's license and reliable transportation.

We offer competitive pay and benefits, and the opportunity to work with a growing company in a dynamic and exciting industry. If you are a motivated individual with a passion for learning and developing your skills in construction and installation, we encourage you to apply for this position.
