**Job Summary:**

Cortese Construction, a leading construction company specializing in kitchen and bathroom renovations, is seeking a highly skilled and experienced individual to join our team as a Kitchen and Bathroom Lead Finisher. As the Lead Finisher, you will be responsible for overseeing and executing all aspects of finishing work in kitchen and bathroom projects, ensuring high-quality craftsmanship, and timely project completion. This position requires a strong attention to detail, excellent organizational skills, and the ability to work effectively within a team.

**Responsibilities:**

- Lead and coordinate the finishing phase of kitchen, bathroom, and basement remodeling projects from start to finish.
- Collaborate with the project manager and other team members to develop a detailed project timeline and ensure timely completion.
- Oversee the installation and finishing of cabinetry, countertops, backsplashes, tiles, flooring, fixtures
- Manage and maintain a clean and organized work area, ensuring tools & materials are properly stored.
- Ensure compliance with safety standards and regulations on all job sites.
- Train and supervise junior finishers and provide guidance and support when needed.
- Collaborate with subcontractors and vendors to ensure the timely delivery of materials and resolve any issues that may arise during the finishing phase.
- Maintain a high level of craftsmanship and attention to detail throughout the project.
- Communicate effectively with clients and managers, addressing any concerns or questions they may have regarding the finishing process.
- Keep up-to-date with industry trends, new materials, and techniques relevant to remodeling.

**Qualifications:**

- High school diploma or equivalent. Additional certification or vocational training in carpentry, cabinetry, or a related field is preferred.
- Proven experience as a finish carpenter or in a similar role, with a focus on kitchen & bath renovations.
- Strong knowledge of various finishing techniques, materials, and tools.
- Proficiency in reading blueprints, drawings, and specifications.
- Excellent problem-solving skills and the ability to adapt to changing project requirements.
- Ability to work independently and manage multiple tasks simultaneously.
- Strong organizational and time management skills.
- Detail-oriented mindset with a commitment to delivering high-quality craftsmanship.
- Effective communication skills and the ability to work collaboratively with team members, subcontractors, and clients.
- Physical stamina and the ability to perform physically demanding tasks, such as lifting heavy materials and standing for extended periods.
- Valid driver's license and reliable transportation.
